

Shopping with gift cards

Can

Raise money

Instantly for

Parkside

We've got a great Fundraising Program,

but to be successful, we need you to shop at the grocery store, department stores, and go out to eat—all the places you go everyday. And the good news is you won't spend any more money than you normally would.

SCRIP All of this is made possible with a fundraising program called **SCRIP Gift Cards**.

Instant Profit We purchase the exact same gift certificates and gift cards (Scrip) you can get at the store, but at a discounted price; then sell it to you at the face value. The difference equals instant profit for Parkside. You are raising money for our kids, and it costs you nothing!

It Adds Up Fast *Imagine if we could get 100 families purchasing \$100 in scrip per week, with a 5% average return, our organization would raise \$26,000 annually!* Just think of Safeway, Albertson's, Fred Meyer/ QFC, Starbucks and other stores that you purchase from on a regular basis, it adds up fast!

Remember to support Parkside and pick up scrip gift cards before you go shopping. When you pay for your purchases with scrip gift cards rather than paying with cash or writing a check, you won't spend any more money than you normally would, and the merchants donate a percentage of the amount you spent back to Parkside.

WIN Scrip for Your Family and Your Child's Class

October— WIN A \$25 Gift Card For every \$10 of scrip you purchase October 10th -31st, you will entered into a drawing for \$25 of free scrip card of your choice! The more you buy, the more chances to WIN!!

January—Class Participation Contest. The class with the most participation (total dollars purchased from family), \$50 of Fred Meyer scrip for their class. Have more than one student at Parkside? FAQ's

Q: Does Parkside earn anything if I buy a gift card directly from one of the stores listed?

A: No, for Parkside to profit you need to buy the gift cards/certificates directly from the PTA.

Q: When I used up the gift card up the cashier asked me if I wanted to "reload" the card, what should I do?

A: We don't benefit if you "reload" the card, buy a new one directly from the PTA.

Q: Do I have to use the card right away for Parkside to earn a profit?

A: No, we earn our profit as soon as you purchase the gift card from us.

Q: Can I pay with a credit or debit card?

A: Sorry, we can only accept cash or check. Our profit margin is too low.
